Subject: ISD/STD Authorization code

Dear Sir/Mam,

Your ISD/STD access code is **26134.**

Following is the procedure to dial Local/National using your access code:

From Avaya Phone:

To dial National Landline number: 9 + City Code + Landline number + # (Hash/Pound Key) + access code.

To dial National Cell Number: 9 + 0 + Cell number + # (Hash/Pound Key) + access code

To dial International Landline number: 9 + Country Code + City Code + Landline number + # (Hash/Pound Key) + access code

To dial International Cell Number: 9 + Country Code + Cell number + # (Hash/Pound Key) + access code

To dial Local Landline number after office hours using access code: 9 + Landline Number/Cell Number + access code

From Cisco Phone:

To dial National Landline number: 9 + City Code + Landline number + access code+ # (hash/pound key)

To dial National Cell Number: 9 + 0 + Cell number + access code + # (Hash/Pound Key)

To dial International Landline number: 9 + Country Code + City Code + Landline number + access code + # (hash/pound key)

To dial International Cell Number: 9 + Country Code + Cell number + access code + # (hash/pound key)

To dial Local Landline number after office hours using access code: 9 + Landline Number/Cell Number + access code + # (hash/pound key)

This code is for official use only. Please do not share this Code with anyone

Thanks in advance.

With Best Regards,
